Pharmacy PGY-1 Residency

Interests in
Hospital Practice, Primary Care
and Pharmacy Operations

Give us a year, and we'll give you a lifetime!

UNITED STATES
DEPARTMENT OF VETERANS AFFAIRS

Bay Pines VAHCS

The Bay Pines VAHCS is a non-profit, teaching medical facility located on 337 acres and situated on the Gulf of Mexico. The healthcare system serves a 10 county area from Pinellas County in the north to Collier County in the south. Together, the Bay Pines VAHCS provides care to 97,786 veterans every year including our outpatient clinics in Bradenton, Lee County, Naples, Palm Harbor, Port Charlotte, St. Petersburg, Sarasota, and Sebring. Our healthcare system serves the healthcare needs of America's veterans in West Central and Southwest Coastal Florida by providing primary care, specialized care, and related medical and social support sources.

Residency Overview

The PGY-1 residency program is accredited by the American Society of Health-System Pharmacists. The residents will develop competency in area of acute patient care, ambulatory/primary care, drug information, practice management, and pharmacy operations. The focus of this residency is to develop residents into competent clinical practitioners who will contribute to positive patient outcomes. The residents will have responsibility and will be directly involved in providing patient oriented pharmaceutical services. The residents will develop knowledge and skills required to become a competent, clinical practitioner through training in the following areas of pharmacy practice.

Hospital Practice - 2 Positions
